

1" Quick Fill Tech Specs

Male Valves

Perfect for use in applications with tight space constraints due to their small footprint and light weight. They are also ideal for applications where clean filling is a priority instead of risking fuel spillage using basic filling equipment.

Options: Twin/Single

QM12

	Twin Male QM12	Single Male QM11
A - Valve Internal Bore	24 mm	24 mm
B - Hose Connection	32 mm (1.25")	32 mm (1.25")
C - Pitch between Valves	72 mm	Not Applicable
D - Overall Length	115 mm	115 mm

In accordance with our policy of continuous improvement we reserve the right to change our products without prior notice. Please contact our Technical Office for notice of any product updates.
